Over 90 leaders from the All India Punjab National Bank Officers' Association participated in the 2 days Leadership Development Programme at Bhopal conducted by the NATURE at the request of AIPNBOA in order to provide an insight to their leaders at the level of the Circle Unit and down the line. It was a unique opportunity for the entire leaders of 77 circle associations to have an overview of the various facets of the leadership of the trade union. The programme was inaugurated by Com.Dileep Saha, the dynamic General Secretary of the Association who had conceived the programme and took the help of the AISBOF to design exclusively for the benefit of the leaders of their organization across the country.

2. The inaugural function was participated by Com.Y.Sudarshan, the General Secretary of the Federation and also the President of the Confederation who is heading NATURE as its Director and shared his thoughts on the various aspects of the Disciplinary Proceedings. The other members of the faculty from NATURE consisted of Com.Shantha Raju and Com.G.D.Nadaf, former General Secretaries of AIBOC and AISBOF, Com.B.S.Ravindra, former General Secretary of SBIOA(K) and Com.K.Nagaraja Shastry, former Secretary of AIBOC & AISBOF, and Com.Dileep Saha, the General Secretary of AIPNBOA.

3. The programme was highly appreciated by the participants from the AIPNBOA and they could derive a lot of benefit and inspiration from the participation of the veterans from the trade union in the conduct of various sessions by them during the 2 days programme. The programme also provided an opportunity to the participants to interact with the members of faculty and get all their doubts clarified in course of various sessions handled by them.

4. Comrades, it is yet another cap in the feather of the AIPNBOA who have been spearheading the trade union spirit amongst the bank officers over the last several decades through their valuable contribution to the officer's movement and also providing an excellent leaders and support for the Confederation at all level. It is also yet another mile stone for NATURE which has started the year with a grand programme at Bangalore and thereafter at Bhopal outside the Head Quarters of the NATURE during its silver jubilee celebrations.

With greetings,

(Y.SUDARSHAN)
