WELCOME 2016

Today is the dawn of a new year and as the first rays of the sun lit up the sky, we fervently hope that it ushers in better days ahead. Let the sunshine of the New Year eradicate all the ignominy of the world, let our eyes be filled with new hopes and aspirations, let our lives be enlightened with fresh dreams and let us all wake up to a wonderful, delightful and a Prosperous New Year.

The year gone by will probably be relegated as one of the sombre years of the past decades. The country stands at a critical turning point where anger and frustration are bursting at the seams.

Yet, on the new day of a new year, one must begin with hope. Hope - that standing at the threshold of this new year difficulties will be overcome, knots will be untied and vistas of new opportunities and possibilities be opened up.

We must also be prepared to meet adversities head on and practice the highest level of integrity and diligence while serving our beloved institution and display our dedication and commitment to our treasured organisation as we approach the celebration of the golden jubilee of the Circle Association.

So, Comrades, wish you and all your family members an optimistic and scintillating 2016.

With revolutionary greetings,

Soumya Datta
(General Secretary)
