INTERNATIONAL WOMEN'S DAY 2020 **LAUNCHING OF FORUM AGAINST INJUSTICE**

As you may be aware, International Women's Day is celebrated around the world to champion the advancement of women's rights and promote gender equality. We, too, celebrate this day every year with commitment to ensure female empowerment across the society in general and within our organisation in particular. We, at the SBIOA, believe that participation of women makes agreements stronger, societies more resilient and economies more vigorous.

We have a clear roadmap to empower our women colleagues by improving their ability to organize, bargain collectively and have a stronger voice in the organisation and the society. Last year, we had organised the 1st Women's convention on 22.6.2019, which provided a platform to our lady officers to exhibit their potential leadership qualities and showcase their talents in various spheres.

We are determined to maintain this momentum. Keeping in mind our continuous evolvement and commitment to the larger and more meaningful participation of female colleagues in the workplace, we have launched a new initiative. It has been decided to form a committee (Forum against Injustice) which will act as a nodal body to sensitize the members and act as whistle blower to report discrimination or harassment of any kind. The composition of the committee and the name of the members are as hereunder.
