Circular No. 49/2022

Date : 01.04.2022

To All Members (Please Circulate)

Dear Comrades,

LAUNCHING OF AN ONGOING INITIATIVE FOR EMPOWERMENT OF OFFICERS AT SBIOA ACADEMY, KOLKATA “BYATIKRAMEE PATHAKRAM”

You are aware that the Circle Association has taken many initiatives for updating knowledge of its members in their day-to-day work, which have been helping the members to render their services with more confidence as well to improve their skill-sets. The Circle Association has been publishing different Handbooks, gist of important circulars issued by the bank on a week basis, Alert series to keep the members updated et al.

2. We have the pleasure to inform you that Circle Association has decided to introduce a program for its members at SBIOA Academy, Kolkata on an on-going basis. While the initiative is captioned as **“Byatikramee Pathakram**, the tagline of this training programme will be **“Darne se pafele ladke to dekho”**. The one-day capsule program will be held once every month, either on the second or on the fourth Saturday on various topics and facets of banking. The schedule of the program will be available on the Circle Association website well in advance. Interested members may enrol their names at least fifteen (15) days before commencement of the concerned program. Experts on various fields will be assigned to take classes for the benefit of the members. The first such program has been tentatively scheduled on **14th May, 2022 on Assigned Roles for Service Managers**.

3. Comrades, we are aware that due to huge shortage of officers and award staff, officers remain overburdened with their work at branches and offices find very little time to keep abreast of developments and find it extremely difficult to clear the mandatory learning courses as well as Role Based Certification programs. We are confident that our initiative would be an enabler to our members to successfully clear the lessons and certification courses.

4. Comrades, we, as banker, have to undertake great responsibility towards protecting the interest of the stakeholders and at the same time protecting ourselves from any unwarranted situation. The undersigned, therefore, requests all the members to come forward and avail the opportunity of this new initiative taken by the Circle Association.

5. We also invite your suggestions in this regard to make the initiative more meaningful and effective.

“Stay Safe, Stay Healthy”
