To All Members (Please Circulate)

Dear Comrades,

### ONE-TIME DONATION OUTSTANDING RESPONSE

We are overwhelmed at the huge response received from our members in regard to our appeal on the captioned matter. The love, attachment and commitment exhibited by our members will surely help us to carry on the activities of the Association in a greater scale.

Comrades, you are aware that the Circle Association undertakes numerous social welfare activities through the year for the cause of the members, students, and people in need. This is possible only due to your conscious contribution and we believe that your active involvement and assistance are the key factors behind the success of each and every program of the Association. This time we have received a significant amount of donation from our members and this will enable us to undertake many more activities in the days to come. The whole hearted support extended by our members has given a great fillip to our all-round activities for the cause of the membership and the Society as a whole.

**The undersigned on the behalf of the Circle Association expresses his deep gratitude and conveys thanks to each one of you for responding to our appeal.**
