Circular No. 54/2024

Date: 23.04.2024

To All Members (Please Circulate)

A New Initiative

“ DAKTAAR BABU - ON LINE ”

Dear Comrades,

The Circle Association is continuously exploring new initiatives for the welfare of its members and the society as a whole. In recent years, we have launched programs like “Byatikramee Pathakram” and “Face to Face” for the benefit of the members. It is worth mentioning that both programs have received tremendous responses from our members.

02. To reduce stress and mental anguish in our day-to-day busy work schedules, leading a healthy life has become a priority both at the workplace and at home. In light of this, we have decided to launch a program christened as “Daktaar Babu - Online” with the objective of providing a platform to our members, seniors, and their families to address their health issues and to consult about preventive measures. The program will cover various aspects of our health and well-being. **The one-hour program will be conducted online every Second-Saturday of the month**, and renowned doctors with various specialization will be available based on the scheduled topic.

03. **The first of such programs is scheduled to be held on the auspicious International Workers' Day i.e. on 1st, May 2024 from 4:30pm to 5:30pm** on the burning topic “Heat Wave – Precaution and Treatment”. **Dr. Joydeep Ghosh, MBBS, MRCP, of Fortis Hospital, Kolkata, has agreed to join the program and advise us accordingly.** Participants will have the opportunity to interact directly with the doctor regarding their relative queries. The ‘link’ of the online program (through Google Meet) will be shared in different WhatsApp groups well in advance.

04. **We, therefore, invite all our members and seniors to participate in this program along with their families**, relatives, and friends and take advantage of this platform. **All members are requested to ensure success of the program by their active involvement.** We also welcome any suggestion in this regard to make the initiative more meaningful and effective.

With greetings,

Shubhajyoti Chattopadhyay
(General Secretary)
