KALYANI

Location : A planned Satellite City of Kolkata, the one and only situated in the suburbs of Kolkata (55 Kms). Well connected by road and rail.

Importance : Kalyani is considered as the medical hub of Nadia District with two major hospitals (JNM & Gandhi Hospitals) and other available medical facilities.

It is also a leading education centre with two renowned Universities (BCKV and Kalyani University) along with other important Technical and Educational Institutions.

AIIMS Kalyani and Future Prospect : With the setting up of AIIMS, the significance of Kalyani has entirely changed. In the changed scenario infrastructure developmental works are in full swing for the last few years. We expect a transformed and new look Kalyani in next few years in the light of robust future plan designed for the city. Road connectivity has assumed focused attention making AIIMS Kalyani only a 50-minutes drive from Kolkata Airport.
