Date : 4-8-2026

TO ALL OUR UNITS AND MEMBERS:

Hold demonstrations on 12th Aug. 2026 Demand implementation of commitment on 5 Days Banking

Our demand is known to all of our unions and members. After the successful strike on 27th January, 2026, we have been awaiting some positive response from the Government. Though IBA agreed in the MOU and also in the Settlement/Joint Note and the matter has been recommended to the Government, the issue is being unduly delayed.

In the meantime, the Government has asked the Banks to commence the process for the next wage revision settlement due in November, 2027. But there is total silence on this important residual issue of introduction of 5 days banking.

Hence it has been felt necessary to take up this issue and highlight the same seeking expeditious decision by the Government.

To begin with, it has been decided to organise a joint demonstration in all State Capitals and other important towns and centres on the 12th August, 2026 after office hours.

We request all our Unions and members to observe the programme with full participation. We shall shortly meet and decide further course of action including strike action.
