Dear Comrades,

We reproduce hereunder the text of UFBU circular no. 2026/36 dated 30.09.2026 for your information and wide circulation.

Residual issues – Discussion to commence

All unions and members are aware that when we signed the 12th Bipartite Settlement/9th Joint Note on 8-3-2024, some of the important issues remained pending and hence it was agreed that these issues and demands would be taken up as Residual Issues and accordingly Minutes were signed with the IBA. But these issues have been remaining unresolved and we have been pursuing the matter with the IBA.

Since recently DFS has suggested to the IBA/Banks to commence the negotiations for the next wage revision process, managements wanted to club these residual issues as part of Charter of Demands for the next wage revision. We had disagreed with its approach and insisted that the Residual Issues are to be discussed before we submit the Charter of Demands. Hence this was one of the demands of the recent agitation and strike notice.

As we can observe from the Minutes signed on 27-9-2026, IBA has agreed to commence the discussions on the Residual issues.
